

## **Advertisement for External Evaluator Recruitment for an ERASMUS+ Medical Education Project**

**Position:** External Evaluator

**Project Duration:** Ongoing (2 years remaining)

**Evaluation Timeline:** End-of-project assessment

### **Project Overview**

We are seeking a qualified and experienced external evaluator for an ERASMUS+ project focused on advancing medical education. The project, which began a year ago, aims to achieve measurable improvements in medical education through innovative approaches and collaboration across partner institutions. Your role as an evaluator will be critical to assessing the project's impact, efficiency, and outcomes in alignment with ERASMUS+ objectives. The external evaluator will work closely with the WP4 leader to fulfill the external evaluation work in time.

### **Key Responsibilities**

- Conduct a comprehensive evaluation of the project's activities and outcomes and outputs at the end of the project period (M35).
- Assess the relevance, effectiveness, efficiency, and sustainability of project activities and deliverables.
- Prepare a detailed evaluation report that aligns with ERASMUS+ guidelines and project goals.

### **Qualifications and Requirements**

- Advanced academic qualifications, including a PhD or MSc
- Extensive experience in managing large-scale, collaborative EU and UK-funded projects (e.g., Horizon Europe, Erasmus+, FP7).
- Proven ability to design, manage, and deliver or evaluate projects within scope, budget, and timeline constraints
- Strong record of working with cross-functional, multinational teams, including academics, technologists, and policymakers, ensuring effective communication and project execution.
- Demonstrated capacity to secure significant research funding through strategic proposal writing and project design.
- Full professional proficiency in English (C2 level), enabling effective communication, reporting, and stakeholder engagement.
- Experience in preparing comprehensive documentation and delivering presentations to diverse audiences.

**Preferred Qualifications**

- Experience in working in multicultural and multidisciplinary environments.
- Experience in the evaluation of European projects
- Prior involvement in health or medical education projects.

**Application Process**

Interested candidates should submit the following documents by:

1. A detailed CV highlighting relevant experience with examples of previous evaluation reports or relevant work.
2. A cover letter explaining your interest and suitability for the position.

**Submission of Application**

Please send your application to [avanta@upatras.gr] with the subject line: *Application for External Evaluator – ERASMUS+ Medical Education Project.*
